

3.1_C

automation environment	capability overtime	challenge repetitive	colleague reward	culture socialize	efficiency supervision
---------------------------	------------------------	-------------------------	---------------------	----------------------	---------------------------

Study the words in Exercise B1.

- 1. Mark the stressed syllable in each word.
- 2. Which word(s) have the same stress pattern as *productivity*?
- 3. Sort the other words into groups according to their stress patterns.
