

6.4_A

Suggested answer

In 2020, a deal was made by mobile phone company Three with Chelsea Football Club in which the Club's football shirts were sponsored. In the deal, Three's name was displayed on the shirts for three years. In addition, at the Club's football ground, fans could use a new 5G mobile phone network through which they were given fast access to social media and the latest scores. As a result, having created new added value, Three attracted a new range of customers.

	Sentence	Methods
1	In 2020, a deal was made by mobile phone company Three with Chelsea Football Club <u>in which</u> ¹ the Club's football shirts <u>were sponsored</u> . ²	1. introduces relative clause 2. passive verb form
