

3.1_C

artery	breastbone	capillary	collagen	organ	pelvis	platelet	pump
rib	shoulder blade	skeleton	tissue	vein	vertebrae	vessel	

Study the words in Exercise B1.

1. Mark the stressed syllable in each word.
2. Which word(s) have the same stress pattern as *collagen*?
3. Sort the other words into groups according to their stress patterns.
